

Photos/Video

Photo Lounge

Subjects lay down facing up as the camera remotely captures the image and sends it to the printing station. The unique camera angle makes for a fun and exciting photo, especially group shots. Colors can be customized.

Panoramic photos

Beautiful panoramic photos allows multiple people and a wide angle shot.

InstagramPhotos -The latest social media craze is a hit at any event! We will create a custom “Hash tag” for people to post photos they take from the event either at our station or on their on smart phone. Access from the custom site and even print photos at our custom print station.

Clings- In the style of Fat heads™ and Color Forms, these photos stick on walls, doors, anywhere and can be peeled off and stick it again.

LED Photos

Made famous by Picasso, guests use different sources of light to draw images and words which become part of the photograph.

Mega Strip Booth

Just like a regular booth but Prints out strips over 2 feet long!

Mini Photo Album

Up load photos from your smartphone, storage device or take your photo at the booth
And create fun and lasting memories in a mini photo album.

SuperBooth

Here is your big chance at :15 seconds of fame. The first interactive booth of its kind. Guests enter the booth and choose their "Virtual" photographer. The photographer has them "Strike various poses" as paparazzi style Flashbulbs go off, music plays and a fan blows, capturing the moment. Each guest receives a printout of their photo shoot.

Link for Super booth <http://www.youtube.com/watch?v=7z6iBGtrYgg>

Digital Photo Booth

This new camera sensation is a hit at any event! Guests take their own photos by pushing a remote control button. Hi quality 4 x 6 B/W or color photos are printed instantly. Photos can be branded for any occasion. Flat screen monitor shows a scrolling montage of all photos taken. Images can be sent to various screens or projected on the wall.

I Cam

I-Cam is a next generation fusion of photo booth, sign-in board and tons of fun! Think of it as on giant iPad, that takes pictures and videos of guests and let's them scribble their message on the touch screen. Guests get to sign their names, message to hosts, draw moustaches, hearts, and all kinds of shapes – use tons of special effects and avatars....imagination is the only limit. When guests are done with their artwork, their pictures are printed. Images and

videos can be instantly emailed and put on  and . Guests receive a framed copy, and hosts receive a master CD with all pictures on it.

See a Sample:

<https://www.youtube.com/watch?v=5-epKP6YfNc>

Created, by a new process called Augmented Reality (AR), guests stand on a prop or spot where different things are superimposed next to you that you can interact with, much how things now are animated in the movies. Where the people are standing is real but nothing around them is real, it's all animated. Great for events, exhibits, vending. Content can be customized.
